For the 2026-2027 School Year
(Before and After Extended Care Available)

3K Program: If your child(ren) will be three years old and potty trained by **September 1, 2026**, *you can register for the 2026-2027 school year.**

4K Program: If your child(ren) will be four years old by **September 1, 2026**, *you can register for the 2026-2027 school year.**

*The decision to allow early admittance to the 3K, 4K, or 5K program should be made only after serious reflections and evaluation and consultation with the teacher and parents. The school principal is the individual responsible for making the final decision.

Everyone, no matter what their income, can afford to send their child to St. Joseph Catholic School because our Fair Share Tuition program allows parents to confidentially pledge whatever they desire and set their own tuition rate.

This literally means that parents can decide to pay \$0.00 and send their child to our school.

We look forward to seeing you!
